“ Jerry was always kind from the first time I met him while walking in the community to a time when he brought the fire truck down the hill to my house to douse a fire. Always friendly, he offered a helping hand, and he will be missed as he touched many lives. My prayers are extended to you and your family. Patricia Heck

“ I first met Mr. Sheridan when i became the Quorum Court coordinator in 2004 while he was serving as JP. He was an absolute joy to work with -- so gracious, kind, helpful, and encouraging. I heard a pastor recently say that as this generation passes away, there simply is no one left to replace them, and that certainly could not be more true as in Mr. Sheridan's case. He epitomized grace, class, dignity, common sense, and a willingness to serve beyond what was expected. i will always remember him as one of my most favorite people to ever work with. Love and prayers to his family.

“ Jerry was an absolutely wonderful man. As his cousin, I had the honor of growing up with Jerry. Being 15 years younger than him, he was my hero. So handsome and kind. Throughout my life I always knew that he was there for me. He made me feel safe. His mother and dad were like second parents to me. His sister and brothers were like they were mine, too. The laughter, the holidays, the love....Jerry, know how loved you were and always will be. You'll live in my heart forever.
