“ Janet I remember your mom driving us to school in I think 10th grade. She was so funny and embarrassed you but we all loved her. I know you will miss her but remember how special she was and how much she loved her family. My prayers are with you. Love you.

“ Prayers for the family. She was an exceptional human being! You meet very few people in a lifetime that make an impression like She made on so many. I'm thankful to have gotten to know Her. I'm sorry for your loss and I pray that you find peace in knowing what a light She was in this life. Heaven is certainly brighter than ever.
